Employment History:

Deer Valley Ski Resort Sales Agent

Deer Valley Ski Resort

I was a Sales Agent from November 19th to April 12th when our ski season ended. My responsibilities were as a sales service agent was to help Deer Valley customers purchase the correct ski packages, rentals, lift tickets, child care and whatever else we sold at Deer Valley. I had to know all the correct prices and details in accordance to these packages. This also included upholding Deer Valleys famous tradition of customer service that goes up and beyond. I also worked with Ski Utah to perform surveys on our customers about issues affecting the Wasatch such as Ski Link and One Wasatch. After working at Deer Valley I have realized the importance of great customer service and look forward to using what I learned here in the future.

University of Utah

University of Utah Guest Services.

The day I quit my previous job I was able to get hired on campus. (August 25th-present)
Currently working as a part of the Rice-Eccles Stadium staff in addition to working multiple other sporting events at the U. Originally an usher but now I am an assistant manager. My job is to organize and control ticket scanners for one of the entrances for most sporting events. I also do tours of the campus for special clients of the stadium and campus. This may sound cliché but I enjoy being in a manager position because it allows me to have more input on how

we operate. I get lots of feedback from the people whom we manage and I'm able to bring that to my boss for us to find the most effective way to operate.

Gardener

Gruendell Landscaping & Gardening

Worked as gardener full time for a little over month in July-August 2014. Unfortunately I left because my school schedule conflicted too much with my work schedule

Server

Park City Mountain Resort

Worked from 3/1/14-4/20/14 as a server at Park City Mountain Resort. One of my favorite parts of the job was when I walked into my interview on the 1st of March and the manager put me to work later that same day. Learned basic serving skills in addition to the ability to deal with some inappropriately behaved customers in the most respectful, resolute and appropriate way.
